

# ACE ACADEMY TUTORING

## ***Serving students from first to sixth grade (6 - 12 years old)***

At **ACE Academy Tutoring**, students may enroll for **1, 2, or 3 sessions per week**. Available subjects include **English, Math, Spanish, and Science**. Students may choose one or more subjects as needed. Sessions are **40 minutes** and are taught in small groups of **1-4 students**, depending on their levels and needs. Fees are calculated by the total number of sessions each month.

### **Available hours:**

Monday to Friday, 3:00 pm to 6:00 pm

Saturday, 11:00 am to 2:00 pm

Grade Level	4 Sessions/Month	8 Sessions/Month	12 Sessions/Month
Grades 1, 2, 3	\$90	\$170	\$240
Grades 4, 5, 6	\$100	\$185	\$270

## **What to Expect**

We start with a diagnostic test to evaluate any existing learning gap for students. Based on the results of the diagnostic, we work with the students to help them set and achieve quarterly academic goals. Then, tutors create a quarterly microplan that defines the topics that will be covered, as well as accepted learning benchmarks for each topic. Tutors evaluate their students weekly to monitor their progress, and provide bi-weekly feedback to students and families.
